City Library Bad Vilbel

Bad Vilbel, 2012 - 2013
Cultural buildings

Â schneider+schumacher was assigned for tender documentation, tender action, and site management for the new City Library in Bad Vilbel, near Frankfurt. On 1,300 m2 the new building contains the mediathek, and a café. The library opened in early fall 2013. Project architects in charge were Munich architects Demmel and Hadler.
